CALLING PROCEDURE TO THE SACFL

Club Member

Club Secretary

League Secretary

Regional Director

SACFL

It would be appreciated by the SACFL if this calling procedure could be followed.

You will find that most queries can be answered by either your League Secretary or Regional Director and do not have to come through the SACFL.

This procedure also ensures that your local Region is aware of local/regional issues. Any issues relating to the South Australian Community Football League should be directed to your Regional Director.

Any Club issues not related to the Constitution should be directed to your Development Coordinator.

When contacting the SACFL, please direct regional/country club matters to David Bradley and SAAFL matters to Glen Rosser.

Thank You
